

# **Pachamama Spiritual Circle meets at Gaia's Peace Garden**

**-Location: Gaia's Peace Garden is located at 2066 Bristol Dr., Iowa City, Iowa.**

## **Directions:**

Important: There are some people who have had a very hard time finding this place. One of the reasons for this is that many of the streets to get there wind around so there is an entrance and exit for the same street name in two different locations. Also some streets dead end and finish the rest of the street in a different location. There are also 2 different streets called Dubuque Rd. that can be turned onto from North Dodge St. They actually connect in an arch shape, but this is confusing when following the directions. It would be helpful to look at the Google Map below before driving to this location to have a sense of all the streets, you can move the view larger or smaller for a clearer picture of the roads.

-If you are driving north on North Dodge St. go passed the new Hyvee, and the old Hyvee and make the first left onto Dubuque Rd. (not to be confused with Dubuque St. which is in another location).

(If you accidentally pass Dubuque Rd. you will come to Bristol Dr., do not turn onto this road, although it is the name of the street that Gaia's Garden is on, it is best to turn around and go back to Dubuque St. and follow the directions here to avoid confusion.)

Go for .3 miles on Dubuque St. and make a left turn onto Oakes Dr. Make an immediate right turn on Quinent St. (not to be confused with Quinent Court which comes up soon after the turn). Go .1 miles on Quinent St. and make a left onto Bristol Dr.

Go down the street and it will dead end into a circle. Gaia's Peace Garden is on the right side of the street, you can't miss it.

-If you are driving south from Rt. 80 on North Dodge St. you will turn right on the first Dubuque Rd. (do not take Bristol Dr. which is the next street). Then turn right onto Oakes Dr. Then turn right onto Quinent St. Then turn left onto Bristol Dr. You will drive to the end of the street into a dead end with a circle. Gaia's Garden will be on your right side, you can't miss it.

Also, although you can turn onto Bristol Dr. from North Dodge St., it changes names to two other streets before the name changes back to Bristol Dr. where the actual Gaia's Peace Garden is located. I would not advise taking the turn onto Bristol Dr. from North Dodge since that causes more confusion. Good luck and we look forward to meeting you at Gaia's Peace Garden.
